

City of Battle Creek
Sustainable BC Committee
ZOOM

Department of Public Works, 150 S. Kendall Street, Battle Creek, Room 214
Monday, June 22, 2026
1:30pm – 2:30pm

The purpose of this Committee is to increase the City's efforts to incorporate environmentally responsible, cost effective policy in the planning, administration and economic development of its built infrastructure and natural resources. The Committee may make recommendations to the City Commission for their consideration and will be available as a resource on sustainability policy.

The committee is grateful for the land upon which we live, and recognizes the Potawatomi Nation as the original inhabitants. The committee seeks to partner when possible with the Nottawaseppi Huron Band of the Potawatomi (NHBP) Tribe in stewardship of the land and its natural resources.
