

Bowling Green Tree Commission

Agenda

June 16, 2026

- **Roll Call**

- **Confirm Minutes**
- **Commissioner Report – Anne**
- **Staff Report (Adrien)**
 - Working on replacement plan for new plantings under warranty.
 - USDA-IRA Urban and Community Canopy Grant- project continues.
 - Staff is completing stump removals, occasional storm clean-up, and working on routine and requested pruning.
 - Addressing lots of calls, requests, questions, ROW conflicts, etc.
- **New Business-**
 - Plan another date to complete Mulching at Arboretum. Tom Striggow has been working on this independently.
 - Door hangers are ready for grant Tree Planting Promotion.
 - Let me know if you can help pass these out. I'll keep track of a map/list of areas so we're not duplicating efforts.
- **Old Business**
 - Anne – Update on historic/notable tree map, database.
 - Arboretum revitalization- Dan has been working with Urban Forestry staff to update tree inventory of the Arboretum and Adrien will be creating new signage and informational posters for Kiosk.
- **Public Comments**
