6. ADJOURNMENT

The Corporation of the County of Lambton

Audit final communication to the Audit
Committee for the year ended December 31,
2025

BDO | Do more together

To the Audit Committee of The Corporation of the County of Lambton

We are pleased to provide you with the results of our audit of The Corporation of the County of Lambton ("Municipality") consolidated financial statements for the year ended December 31, 2025.

The enclosed final communication includes our approach to your audit, including significant risks identified and the nature, extent and the results of our audit work. We will also communicate any significant internal control deficiencies identified during our audit and reconfirm our independence.

During the course of our audit, management made certain representations to us - in discussions and in writing. We documented these representations in the audit working papers.

We look forward to discussing our audit conclusions with you. In the meantime, please feel free to contact us if you have any questions or concerns.

Yours truly,

BDO Canada LLP

June 17, 2026

Your dedicated BDO audit team

Ferruccio Da Sacco, FCPA, FCA, LPA
E: fdasacco@bdo.ca

Ferruccio Da Sacco has over 25 years of audit experience, working with various organizations. This experience allows him to address the unique audit and operating needs his clients have.

Ferruccio Da Sacco is the Engagement Partner for your assurance services. He assumes ultimate responsibility for the provision of all services, monitoring and controlling costs to ensure you receive quality, effective and value-added service.

Shawn Phaneuf, CPA
E: sphaneuf@bdo.ca

Shawn Phaneuf has over 9 years of audit experience, working with various organizations. This experience allows him to plan, monitor and assess risks and our work to address them.

Shawn Phaneuf will be the Engagement Manager for your assurance services. He performed the detailed review of the audit plan and execution. He is also in contact with Management on a regular basis.

Mimi Tseng, CPA, MBA
E: mtseng@bdo.ca

Mimi Tseng has over 10 years of IS audit experience, with a focus on Public Sector and Large NPOs. She is a Manager in the Technology Risk Assurance practice.

Mimi helped the Engagement team assess the risks, plan the response and executed the audit work with respect to the Information Systems.

Our independence

We confirm that we are independent accountants with respect to the Municipality, within the meaning of the Code of Professional Conduct of the Chartered Professional Accountants of Ontario and the requirements of the Code of Ethics of the International Ethics Standards Board for Accountants (“IESBA”) (the “Relevant Ethical Requirements”).

April 2026

End date
June 2026

Materiality*
\$8,500,000

Ferruccio Da Sacco
FCPA, FCA
Email: fdasacco@bdo.ca

Notes

- We determined materiality to be \$8,500,000 for the year ended December 31, 2025.
- Judgments about materiality are made in light of surrounding circumstances and include an assessment of both quantitative and qualitative factors and can be affected by the size or nature of a misstatement, or a combination of both.
- There are no adjusted or unadjusted differences to present, other than those which we determined to be “clearly trivial.”
- The audit is substantially completed at this time.

***Materiality** in a financial audit means the size or nature of an error or omission that could influence decisions made by users of financial statements.

How we audit financial statements: Our audit process

Scoping

Engage with our client, determine the materiality level, and define the audit scope

Planning

Focus on those areas of financial statements that contain potential material misstatements as a consequence of the risks you face;
Design an appropriate audit strategy to obtain sufficient assurance and enable us to report on the financial statements

Obtain evidence

Perform audit procedures while maintaining an appropriate degree of professional skepticism, to conclude whether or not the financial statements are presented fairly

Completion

Evaluate whether we have enough evidence to conclude that the financial statements are free from material misstatement, and consider the effect of any potential misstatements found;
Communicate our opinion and details of matters on which we are required to communicate

Audit findings

As part of our ongoing communications with you, we are required to have a discussion on our views about significant qualitative aspects of the Municipality's accounting practices, including accounting policies, accounting estimates and consolidated financial statements disclosures. We look forward to exploring these topics in depth and answering your questions

A summary of the key discussion points are below:

Financial statement areas	Risks noted	Audit findings	Impact
Management Override of Controls	Fraud risk due to management override of controls. Due to limited segregation of duties, a potential significant risk related to the existence and accuracy of revenue was identified	BDO tested journal entries and selected revenue and expense transactions throughout the year. No matters were noted.	

Impact indication

Internal control matters

During the audit, we performed the following procedures regarding the Municipality’s internal control environment:

- Documented operating systems to assess the design and implementation of control activities that were relevant to the audit.
- Discussed and considered potential audit risks with management.

We considered the results of these procedures in determining the extent and nature of audit testing required.

The audit expresses an opinion on the Municipality’s consolidated financial statements. As a result, it does not cover every aspect of internal controls—only those relevant to preparing the consolidated financial statements and designing appropriate audit procedures. This work was not for the purpose of expressing an opinion on the effectiveness of internal control.

No control deficiencies were noted that, in our opinion, are of significant importance to discuss.

We are required to report to you in writing about any significant deficiencies in internal control that we have identified during the audit.

Category	Definition
Deficiency	<p>A deficiency in internal control exists when:</p> <p>(a) A control is designed, implemented or operated in such a way that it is unable to prevent, or detect and correct, misstatements in the financial statements on a timely basis; or</p> <p>(b) A control necessary to prevent, or detect and correct, misstatements in the financial statements on a timely basis is missing.</p>
Significant deficiency	<p>A significant deficiency in internal control is defined as a deficiency or a combination of deficiencies in internal control that, in the auditor’s professional judgment, is of sufficient importance to merit the attention of those charged with governance.</p>

 [BACK TO CONTENTS](#)

Adjusted and unadjusted differences

Summary of unadjusted differences

There were no unadjusted differences noted during the course of our audit engagement.

Summary of adjusted differences

There were no differences that were corrected by management during the course of our audit engagement.

Other required communications

Professional standards require independent auditors to communicate with those charged with governance certain matters in relation to an audit. In addition to the points communicated within this letter, the attached table summarizes these additional required communications.

 **Additional attention needed**
 Items highlighted with this icon have been identified as posing a higher risk, or requiring special attention

Requirement	Discussion points
Material uncertainties related to Going Concern	Nothing to note. No required communications.
Disagreements with management	Nothing to note. No required communications.
Non-Compliance with Laws and Regulations	Nothing to note. No required communications.
Subsequent events: Matters related to facts that become known to the auditor after the date of the auditor's report that, had they been known to the auditor at that date, may have caused the auditor to amend the auditor's report.	Nothing to note. No required communications.
Other Matters	Nothing to note. No required communications.

Other Information

Changes to PSAS Statements coming...

Tout donner ensemble

Section PS 1202 - Financial Statement Presentation

The Public Sector Accounting Board (PSAB) has introduced Section PS 1202 - Financial Statement Presentation, effective for fiscal years beginning on or after April 1, 2026. The new reporting model reshapes how public sector entities present and disclose financial information, adding new statements and refining existing ones to improve transparency and comparability. Entities should begin preparing now to ensure a smooth transition ahead of the effective date.

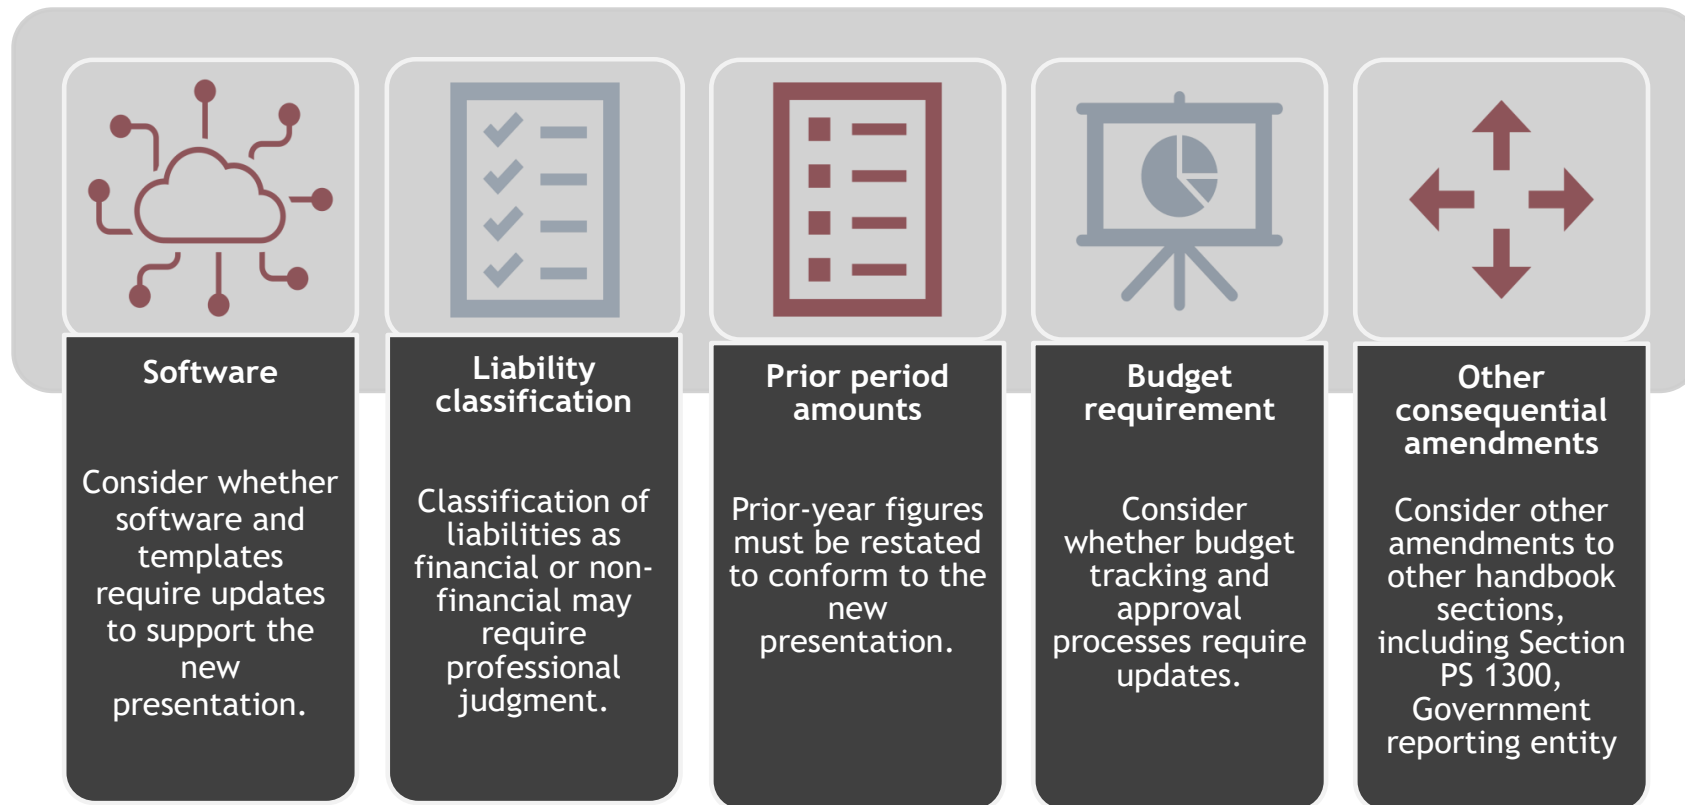

Key Changes at a Glance

Statement of Financial Position	➔	Significantly restructured
Statement of Net Financial Assets (Net Financial Liabilities)	➔	New statement displaying revised calculation of net debt
Statement of Change in Net Financial Assets/Net Debt	➔	Removed
Statement of Changes in Net Assets (Net Liabilities)	➔	New statement showing reconciliation between opening and closing balances of each component of net assets
Statement of Cash Flow	➔	Restructured that financing activities separated from other items
Budget	➔	New budget requirements

Section PS 1202 - Financial Statement Presentation

- Key Considerations to Getting Ready

Action Checklist: What should you do

- Understand the impact: Review the new requirements to determine how your current financial statements and reporting packages will be affected.
- Assess policies and templates: Update financial statement formats, accounting policies, and internal templates as needed.
- Plan for software updates: Confirm that financial reporting tools can support the revised presentation and disclosure requirements.
- Train key personnel: Ensure finance and audit teams are informed and prepared for the changes.
- Engage stakeholders: Communicate anticipated impacts to councils, boards, and oversight bodies.
- Prepare early: Develop an implementation timeline to meet the April 1, 2026 effective date.

About BDO

BDO is a leading provider of professional services, delivering a range of assurance & accounting, tax, and advisory services. Complemented by continuously advancing technology expertise, ESG focus, and 100+ years of being connected to local communities, we're proud to cultivate ongoing relationships with clients and employees across Canada and beyond.

Our people-first approach to our talent experience has earned us multiple awards, including a spot among Canada's Top 100 Employers for 2026.

Independent Auditor's Report

To the Members of Council of The Corporation of the County of Lambton

Opinion

We have audited the consolidated financial statements of The Corporation of the County of Lambton (the Municipality), which comprise the consolidated statement of financial position as at December 31, 2025, and the consolidated statement of operations, the consolidated statement of change in net financial assets and the consolidated statement of cash flow for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Municipality as at December 31, 2025, and its consolidated results of operations, its consolidated change in net financial assets, and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Municipality in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Municipality's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Municipality or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Municipality's financial reporting process.

**Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Municipality's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Municipality's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Municipality to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Plan and perform the group audit to obtain sufficient appropriate audit evidence regarding the financial information of the entities or business units within the Municipality as a basis for forming an opinion on the group financial statements. We are responsible for the direction, supervision and review of the audit work performed for purposes of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

CASH, end of the year	<u>94,208,905</u>	<u>89,618,731</u>

The accompanying notes and schedules are an integral part of this financial statement.

**THE CORPORATION OF THE COUNTY OF LAMBTON
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
AS AT DECEMBER 31, 2025**

1. ACCOUNTING POLICIES

The consolidated financial statements of The Corporation of the County of Lambton (the Municipality) are the representation of management and have been prepared in accordance with Canadian public sector accounting standards for municipal governments, as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada. Since precise determination of many assets and liabilities is dependent upon future events, the preparation of periodic financial statements necessarily involves the use of estimates and approximations. These have been made using careful judgments.

(a) Basis of Consolidation

(i) The consolidated financial statements reflect the assets, liabilities, revenue and expenses of all municipal organizations owned or controlled by the Municipality. The following entity has been consolidated:

- The County of Lambton Community Development Corporation (CLCDC) 100%

All inter-entity transactions and balances have been eliminated.

(ii) Trust funds and their related operations administered by the Municipality are not consolidated but are reported separately on the "Trust Funds Financial Report".

(b) Basis of Accounting

(i) Sources of financing and expenditures are reported on the accrual basis of accounting.

(ii) The accrual basis of accounting recognizes revenues, as they become available and measurable; expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

(iii) Non-Financial Assets
Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year, and are not intended for sale in the ordinary course of operations. The change in non-financial assets during the year, together with the annual surplus, provides the Change in Net Financial Assets for the year.

a) Tangible Capital Assets (TCAs)

Tangible capital assets are recorded at cost, which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset, less accumulated amortization. The cost, less residual value, of the tangible capital assets, are amortized over their estimated useful lives as follows:

Bridges	35 - 75 years	Straight Line
Buildings	15 - 40 years	Double Declining Balance
Building Contents	5 - 50 years	Straight Line
Building Site Elements	10 - 50 years	Straight Line
Fleet	5 - 10 years	Straight Line
Information Technology	3 - 10 years	Straight Line
Leasehold Improvements	10 - 40 years	Double Declining Balance
Machinery and Equipment	3 - 40 years	Straight Line
Medical and Emergency Equipment	2 - 20 years	Straight Line
Roads	15 - 50 years	Straight Line
Signage and Illuminations	10 - 20 years	Straight Line

One half of the annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use, at which time they are capitalized.

The Municipality has a capitalization threshold of \$5,000 so that individual TCAs of lesser value are expensed unless they are pooled because, collectively, they have significant value.

**THE CORPORATION OF THE COUNTY OF LAMBTON
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
AS AT DECEMBER 31, 2025**

Examples of pools are appliances, furnishings, shelving, street furniture, telephone equipment and tools.

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and also recorded as revenue.

Works of art, artifacts, cultural and historic assets are not recorded as assets in the financial statements because a reasonable estimate of the future benefits associated with such property cannot be made.

Tangible capital assets are written down when conditions indicate that they no longer contribute to the municipality's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the consolidated statement of operations.

b) Inventories and Prepaid Expenses

Inventories and prepaid expenses held for consumption are recorded at the lower of cost and net realizable value. Cost for inventories is determined on the average cost basis.

(iv) Revenue Recognition

a) Taxation revenue is recognized in the year that the taxes are levied. Part of the assessment process is supplementary assessment rolls, which provide updated information with respect to changes in property assessment. The County receives supplemental tax revenues and is also subject to tax adjustments as a result of appeals. Each year, management provides a best estimate of the effect on tax revenue.

b) Government transfers are recognized as revenue in the financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

c) Investment income is recorded as earned.

d) Donations are recorded when the amount is determinable and collectability is reasonably assured.

e) Revenues from transactions with performance obligations are recognized when (at a point in time) or as (over a period of time) the County satisfies the performance obligations, which occurs when control of the benefits associated with the promised goods or services has passed to the payor.

f) The County recognizes revenue from long-term care residents and rentals of County property and equipment on a straight-line basis over the period of time that the relevant performance obligations are satisfied by the County.

g) The County recognizes revenue from administrative services, building permits, development permits, sales of goods, solid waste disposal fees, recoveries and other licenses and permits at the point in time that the County has performed the related performance obligations and control of the related benefits has passed to the payors.

h) Revenue from transactions without performance obligation is recognized at realizable value when the County has the authority to claim or retain an inflow of economic resources received or receivable and there is a past transaction or event that gives rise to the economic resources.

i) The County recognizes revenue from tax penalties and interest, fines, and other revenue without associated performance obligations at the realizable value at the point in time when the County is authorized to collect these revenues.

(v) Temporary Investments

Temporary investments are recorded at the lower of cost and market value.

(vi) Liability for Contaminated Sites

A contaminated site is a site at which substances occur in concentrations that exceed the maximum acceptable amounts under an environmental standard. Sites that are currently in productive use are

**THE CORPORATION OF THE COUNTY OF LAMBTON
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
AS AT DECEMBER 31, 2025**

only considered a contaminated site if an unexpected event results in contamination. A liability for remediation of contaminated sites is recognized when the organization is directly responsible or accepts responsibility; it is expected that future economic benefits will be given up; and a reasonable estimate of the amount can be made. The liability includes all costs directly attributable to remediation activities including post remediation operations, maintenance and monitoring. At December 31, 2025, the Municipality has not identified any instances that meet the criteria for a liability for contaminated sites.

- (vii) **Leases**
Leases are classified as capital or operating leases. Leases which transfer substantially all the benefits and risks incidental to ownership of property are accounted for as capital leases. All other leases are accounted for as operating leases and the related lease payments are charged to operations as incurred.
- (viii) **Financial Instruments**
Cash is measured at fair value. Accounts receivable, accounts payable and accrued liabilities and long-term debt are measured at cost or amortized cost. The carrying amount of each of these financial instruments is presented on the consolidated statement of financial position.

Transaction costs related to financial instruments in the amortized cost category are added to the carrying value of the instrument.

Writedowns on financial assets in the amortized cost category are recognized when the amount of a loss is known with sufficient precision, and there is no realistic prospect of recovery. Financial assets are then written down to net recoverable value with the writedown being recognized in the statement of operations.

Under PSAS, the County is required to present a statement of rereasurement gains and losses. As the County has no rereasurement gains and losses, this statement has not been presented.
- (ix) **Asset Retirement Obligation**
A liability for an asset retirement obligation is recognized when there is a legal obligation to incur retirement costs in relation to a tangible capital asset; the past transaction or event giving rise to the liability has occurred; it is expected that future economic benefits will be given up; and a reasonable estimate of the amount can be made. The liability is recorded at an amount that is the best estimate of the expenditure required to retire a tangible capital asset at the financial statement date. This liability is subsequently reviewed at each financial reporting date and adjusted for the passage of time and for any revisions to the timing, amount required to settle the obligation or the discount rate. Upon the initial measurement of an asset retirement obligation, a corresponding asset retirement cost is added to the carrying value of the related tangible capital asset if it is still in productive use. This cost is amortized over the useful life of the tangible capital asset. If the related tangible capital asset is unrecognized or no longer in productive use, the asset retirement costs are expensed.
- (x) **Multi-employer Pension Plan**
The County participates in a multi-employer defined benefit pension plan, however, sufficient information is not available to use defined benefit accounting. Therefore, the County accounts for the plan as if it were a defined contribution plan, recognizing contributions as an expense in the year to which they relate.

2. EMPLOYMENT BENEFITS PAYABLE

Liability for Vacation Credits

Under the provisions of certain employee vacation plans, some vacation credits are earned as at December 31 but are generally unavailable for use until a later date. In addition, the provisions of certain plans allow the accumulation of vacation credits for use in future periods. On termination the credits are paid out to employees in cash. The approximate value of these credits as of December 31, 2025, is \$4,753,652 (2024 - \$4,722,437).

**THE CORPORATION OF THE COUNTY OF LAMBTON
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
AS AT DECEMBER 31, 2025**

3. TRUST FUNDS

Trust funds administered by the Municipality amounting to \$76,199 (2024 - \$73,153) have not been included in the "Consolidated Statement of Financial Position", nor have their operations been included in the "Consolidated Statement of Operations".

4. CASH

	2025 \$	2024 \$
Cash on Hand and in Banks	94,208,905	89,618,731

The Municipality's cash is held at a Canadian chartered bank and earns interest based on the monthly average prime rate less 1.65%.

The Municipality has a \$5,500,000 demand operating line available. Interest rate of prime less 1.0% is charged on money borrowed. At December 31, 2025, the Municipality had a balance owing of \$Nil (2024 - \$Nil).

The County of Lambton Community Development Corporation has a revolving line of credit of \$2,000,000 with its banker that bears interest at the bank prime rate minus 0.50% per annum. As of April 30, 2025, the County of Lambton Community Development Corporation had utilized \$1,666,919, leaving an unused line of credit balance of \$333,081.

5. COUNTY OF LAMBTON COMMUNITY DEVELOPMENT CORPORATION CONSOLIDATION

The following summarizes the financial position and operations of CLCDC prepared in accordance with Canadian public sector accounting standards and consolidated in these financial statements.

	April 30, 2025 \$	April 30, 2024 \$
<u>Statement of Financial Position</u>		
Assets	16,985,983	18,334,039
Liabilities	17,123,598	18,262,900
Accumulated Surplus (Deficit)	(137,615)	71,139
<u>Statement of Operations</u>		
Revenues	4,803,262	3,463,997
Expenses	5,012,016	4,856,133
Deficiency of revenue over expenses	(208,754)	(1,392,136)

CLCDC is included in these consolidated financial statements using the financial information of CLCDC prepared as of April 30, 2025, covering the period May 1, 2024 - April 30, 2025.

**THE CORPORATION OF THE COUNTY OF LAMBTON
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
AS AT DECEMBER 31, 2025**

6. LONG-TERM DEBT

(a) The balance of the long-term debt reported on the Consolidated Statement of Financial Position is:

	2025 \$	2024 \$
CIBC loan, bearing interest at 4.64%; repayable in principal monthly payments of \$29,167; due June 2044	6,512,127	6,825,004
CIBC loan, bearing interest at 4.64%; repayable in principal monthly payments of \$19,123; due August 2029	611,946	8,815
CIBC loan, bearing interest at 4.64%; repayable in principal monthly payments of \$16,667; due September 2030	949,919	1,149,923
CIBC loan, bearing interest at 3.35%; repayable in blended monthly payments of \$2,812; due December 2026	33,139	65,188
CIBC loan, bearing interest at 4.64%; repayable in blended monthly payments of \$14,976; due February 2032	1,189,788	1,378,078
CIBC loan, bearing interest at 4.64%; repayable in principal monthly payments of \$14,976; due December 2029	725,999	898,586
CIBC loan, bearing interest at 5.50%; repayable in blended monthly payments of \$16,452; due May 2028	1,178,258	1,307,026
CIBC loan, bearing interest at 1.84%; repayable in blended monthly payments of \$30,784; due August 2026	244,543	605,845
CIBC loan, bearing interest at 5.18%; repayable in blended monthly payments of \$52,370; due July 2027	953,314	1,516,405
CIBC loan, bearing interest at 4.64%; repayable in blended monthly payments of \$78,659; due August 2030	3,999,279	-
CIBC loan, bearing interest at 1.67%, repaid October 2025	-	531,850
Long-term debt assumed by Community Development County of Lambton Corporation	14,025,362	14,811,568
	<u>30,419,674</u>	<u>29,098,288</u>
Long-term debt assumed by local (lower tier) Municipalities and others	14,025,362	14,811,568
Net long-term debt at the end of the year	<u>16,394,312</u>	<u>14,286,720</u>

**THE CORPORATION OF THE COUNTY OF LAMBTON
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
AS AT DECEMBER 31, 2025**

- (b) Of the long-term debt reported in (a) of this note, \$14,724,876 in principal is payable from 2026 to 2030 \$6,818,971 from 2031 to 2035, and \$8,875,827 thereafter and are summarized as follows:

	Years 2026 2030 \$	Years 2031 2035 \$	Years 2036 Thereafter \$	Total \$
from general municipal revenue	10,566,818	2,252,637	3,574,857	16,394,312
from local Municipalities and others	4,158,058	4,566,334	5,300,970	14,025,362
	14,724,876	6,818,971	8,875,827	30,419,674

The assumed CLCDC long-term debt is due on demand and is structured with fixed repayment terms which will retire the debt over an agreed period of time.

- (c) The principal and interest payments required to service these actual and pending issues and commitments are within the debt repayment limit prescribed by the Ministry of Municipal Affairs. The annual repayment limit to be effective January 1, 2026 has been authorized at \$28,760,664. Actual annual repayment of principal and interest in 2025 was \$4,688,947 (2024 - \$4,285,137). Interest rates on long-term debt vary between 1.84% and 5.49%.

7. PENSION AGREEMENTS

The Municipality makes contributions to the Ontario Municipal Employees Retirement Fund (OMERS), which is a multi-employer plan, on behalf of 1,164 members of its staff. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay. Employees and employers contribute jointly to the plan.

The Administration Corporation Board of Directors, representing plan members and employers, is responsible for overseeing the management of the pension plan, including investment of the plan assets and administration of the benefits. OMERS provides pension services to approximately 665,000 active and retired members and approximately 1,000 employers. Each year an independent actuary determines the funding status of OMERS Primary Pension Plan (the Plan) by comparing the actuarial value of invested assets to the estimated present value of all pension benefits that members have earned to date. The most recent actuarial valuation of the Plan was conducted at December 31, 2025. The results of the valuation disclosed total actuarial liabilities of \$149,600 million in respect of benefits accrued for service with actuarial assets at that date of \$145,500 million indicating an actuarial deficit of \$4,100 million.

Because OMERS is a multi-employer pension plan, any pension plan surpluses or deficits are a joint responsibility of Ontario municipal organizations and their employees. As a result, the Municipality does not recognize any share of the OMERS pension surplus or deficit. The amount contributed to OMERS for 2025 was \$7,591,271 (2024 - \$7,351,693) for current service and is included as an expenditure on the Statement of Operations. The OMERS Board rate was 9.0% to 14.6% depending on income level for 2025 (2024 – 9.0% to 14.6%) depending on income level.

The Municipality makes no contributions under the past services provisions of the OMERS Agreement.

**THE CORPORATION OF THE COUNTY OF LAMBTON
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
AS AT DECEMBER 31, 2025**

8. SARNIA-LAMBTON ECONOMIC PARTNERSHIP ASSOCIATION

The Sarnia-Lambton Economic Partnership Association (SLEP) is an independent body charged with the responsibility for managing economic development within the County of Lambton. It is jointly funded by the Municipality, local Municipalities, the private sector and senior levels of government. The Municipality provided operating funds of \$1,560,238 (2024 - \$1,560,238). SLEP has not been consolidated.

9. ASSET RETIREMENT OBLIGATIONS

The Municipality's financial statements include an asset retirement obligation for various County owned buildings and solid waste landfills. The related asset retirement costs are being amortized on a straight-line basis. The liability has been estimated using a net present value technique with a discount rate of 3.3% (2024 - 3.3%). The estimated total undiscounted future expenditures are \$18,566,016 (2024 - \$20,155,906), which are to be incurred over 40 years for Buildings, 7 to 59 years for Landfills. The liability is expected to be settled by 2040 for Buildings, 2055 for Landfills.

The carrying amount of the liability is as follows:

	2025	2024
	\$	\$
Asset Retirement Obligation as at January 1	12,495,479	13,065,434
Increase due to liability incurred during the current year	-	-
(Decrease) due to liability settled during the current year	(775,569)	(939,237)
Increase due to accretion expense	381,820	369,282
Increase / (decrease) due to revisions in estimated cash flows	-	-
Asset retirement obligation as at December 31	12,101,730	12,495,479

10. USER FEES AND OTHER REVENUE

	2025		2024	
	User Fees	Other	User Fees	Other
	\$	\$	\$	\$
Long-term care resident fees	9,764,901		9,700,810

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
AS AT DECEMBER 31, 2025**

11. EXPENDITURE BY OBJECT

Total current expenditures for the year reported on the Consolidated Statement of Operations are as follows:

	2025 \$	2024 \$
Salaries, wages and employee benefits	113,444,289	108,297,534
Materials	87,907,545	79,833,503
Contracted services	8,635,117	9,143,822
Rents and financial expenses	3,951,501	2,427,355
Interest on long-term debt	1,064,492	1,057,669
Contributions to other organizations	32,759,218	35,740,058
Amortization	21,196,627	20,850,214
	268,958,789	257,350,155

12. SEGMENTED INFORMATION

The County of Lambton is a diversified municipal government organization that provides a wide range of services to its citizens. For management reporting purposes the County's operations and activities are organized and reported by segments. The County's services are provided by departments and their activities are reported in these segments. Certain departments that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

General Government & Administration - Providing support to the entire Corporation, this segment includes the Council, CAO, Clerk, Finance, Human Resources, Information Technology, Legal and Procurement and Project Management Departments.

Court Administration - Administration of the County's Court offices includes setting trials, recording court proceedings, generating transcripts and receiving payments for fines resulting from charges laid by the various police forces operating within the County. Grants to area Municipalities towards the cost of court security and local policing are also reflected.

Protective Services - The Protective Services Department provides County-wide inspections for plumbing, sewage disposal systems and weed control. Building inspection services and property standards enforcements for most local Municipalities, as well as zoning by-law enforcement is provided.

Public Works - The Public Works Department is responsible for the maintenance and upgrade of the County's road system and bridges. The County's fleet of road equipment operates out of three main depot locations.

Environmental Services - The County owns, operates and manages six former lower tier municipal landfill sites, of which only one continues to accept domestic and commercial waste for disposal. Environmental monitoring and post-closure care continues on an ongoing basis for the five closed facilities. Contracts with private landfills for additional capacity allow the County to fulfill its mandate to dispose of municipally collected waste.

Public Health - Provides specialized public health programs and services in the County through three main streams. Health Protection Services protects the public's health with programs and clinical services such as safe water and food handling, immunizations and the investigation of communicable disease outbreaks and health hazards. Health Promotion Services focuses on the prevention of chronic disease, injury prevention and substance abuse prevention programs. Clinical and Family Services focuses on child health, sexual health and dental health services.

**THE CORPORATION OF THE COUNTY OF LAMBTON
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
AS AT DECEMBER 31, 2025**

Emergency Medical Services - The EMS Department offers 24 hour, 7 days a week, land ambulances services to residents from nine stations located throughout Lambton County. The Community Paramedicine program provides coordinated care planning and medical support for high end users of emergency services.

General Assistance - The Ontario Works Department provides employment and income assistance to eligible participants. Income support assistance is provided to persons in need to cover the costs of food, shelter and basic needs. Persons receiving social assistance are required to participate in a plan of increased employment activity. The Social Planning & Program Support Department examines the community's needs and ensures compliance of funds allocated.

Assistance to Aged - The County operates three long-term care facilities which provide comfort, quality and security to rural and urban residents. In addition, Adult Day programs are provided for seniors who continue to live in their own homes or with family members.

Child Care - The Children's Service's Department is funded by the Ministry of Education and is the Consolidated Municipal Service Manager (CMSM), providing oversight for the childcare and early years' system in the County of Lambton. The Department maintains service agreements with not-for-profit and for-profit agencies in the County to provide and expand subsidized child care spaces, early years programming, special needs resourcing, and workforce development.

Housing - The Housing Services Department provides subsidized, well-maintained housing for County residents. The Department completes eligibility assessments, maintains the centralized waiting list for rent-geared-to-income assistance, and administers the non-profit housing programs, rent supplement programs and the affordable housing programs. A Home Ownership down payment program is also provided.

Library - The Library Department provides services to the public through numerous branch libraries, one bookmobile and deposit collections in Long-Term Care Homes.

Culture - Culture is comprised of the Museums and Art Gallery Departments. Two museums are operated by the County, one collects family and corporate artifacts which depict the history of Sarnia-Lambton and the other is located at the site of North America's first commercial oil well. Judith & Norman Alix Art Gallery collects, preserves and holds in trust a collection of Canadian paintings and sculptures. The Lambton County Archives gathers and maintains Lambton County archival materials.

Planning & Development - The Department prepares and maintains the County's Official Plan and provides consent, subdivision, municipal official plan and woodlot approvals. The Department also works closely with local Municipalities preparing official plan and zoning by-laws, and providing comprehensive, ongoing planning advisory services.

Community Development Corporation - A university style research and development park, located in Sarnia, Ontario.

For each reported segment, revenues and expenses represent amounts that are directly attributable to the segment. The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements as disclosed in Note 1.

**THE CORPORATION OF THE COUNTY OF LAMBTON
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
AS AT DECEMBER 31, 2025**

13. SOCIAL SERVICE CONTRACTS

The Corporation of the County of Lambton has Service Contracts with the Ministry of Education (EDU) and the Ministry of Children, Community and Social Services (MCCSS). A reconciliation report summarizes by detail code where applicable, all revenue and expenditures and resulting surplus or deficit related to the Service Contracts. The surplus amount is included in Accounts Payable and Accrued Liabilities.

The presentation below was prepared in accordance with the modified accrual basis of accounting, which includes short term accruals of revenue and expenditures and does not recognize non-cash transactions such as amortization. The presentation is reflected prior to application of flexibility of funding between detail codes. The subsidy received (revenue) and subsidy earned (expenditure) comprise part of Provincial Government Transfers Revenue and Social and Family Services Expenses that are included in the Statement of Operations.

14. PUBLIC HEALTH UNIT

The Council of The Corporation of the County of Lambton is also the Board of Health for the County of Lambton. The departments and programs that together constitute the operation of the Lambton Health Unit all form parts of other functional areas as reported in these statements. The Ministry of Health and Ministry of Long-Term Care requires that the values for the Lambton Health Unit be reported on the basis of a single integrated entity. Therefore, in order to meet these requirements these values are presented below.

	2025 Mandatory & Related	2025 Excluded Programs	2025 Total Public Health Unit
Total Public Health Unit Operating Costs:	13,122,123	980,072	14,102,195
Total Public Health Unit Amortization Expense:	152,647	11,401	164,048
Total Public Health Unit TCA Expenditures:	138,800	-	138,800

Other Adjustments	<u>817,702</u>	<u>484,740</u>
Potential Future Tax Liability	<u>947,964</u>	<u>548,764</u>

**THE CORPORATION OF THE COUNTY OF LAMBTON
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
AS AT DECEMBER 31, 2025**

The potential future tax liability includes all potential changes due to the results of tax appeals and supplementary taxes as the result of Assessment Review Board Decisions, Minutes of Settlement, Post Roll Assessments notices, Supplementary and Omitted Assessments and other tax adjustments that are processed under the Municipal Act, 2001.

The actual future results will differ from these estimates as tax appeals are settled and actual assessment values are applied to supplemental properties.

17. CONTINGENT LIABILITIES

The Municipality is a defendant in various legal actions. The ultimate outcomes is not determinable at December 31, 2025, as litigation is still in progress. The Municipality's management is of the opinion that the Municipality has adequate insurance coverage to offset the amount of the claims and related costs, if any. Consequently, no provision for potential loss, if any, is reflected in these financial statements.

18. COMMITMENTS

The Municipality routinely enters into short-term lease arrangements for the supply of vehicles, photocopiers, postage machines and other such similar office equipment. Annual payments in 2025 amounted to \$119,014.

The Municipality entered into an agreement with the City of Sarnia for the maintenance of County roads within the City west of Modeland Road commencing October 20, 2020. The agreement continues until terminated by either party with a minimum one year advance notice.

The Municipality has entered into an agreement with the Village of Point Edward for the maintenance of County roads within the Village over a ten year period commencing June 1, 2020 and ending May 31, 2030.

The Municipality has approved the provision of a \$1,050,000 grant to the Strathroy Middlesex General Hospital over a ten year period commencing in 2018 and ending 2027. The Municipality will pay \$105,000 each year to the hospital.

19. USE OF ACCOUNTING ESTIMATES AND MEASUREMENT UNCERTAINTY

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods.

In particular, management's estimate for the Asset Retirement Obligations liability is subject to measurement uncertainty. The estimate includes assumptions and calculations prepared by the County's Public Works engineering staff. Actual results could differ significantly from those estimates because of the uncertainty related to future cost estimates, future use of the landfill site, etc.

20. DEFERRED REVENUE

The balance of \$7,328,579 (2024 - \$7,504,874) includes Ontario Communities Infrastructure Fund and Canada Community-Building Funds (formerly Federal Gas Tax) top up monies as well provincial housing funding and tenant charges received and unspent at December 31, 2025.

**THE CORPORATION OF THE COUNTY OF LAMBTON
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
AS AT DECEMBER 31, 2025**

21. BUDGET FIGURES

The Financial Plan (budget) adopted by the County of Lambton Council on March 5, 2025, was not prepared on a basis consistent with that used to report actual results (Public Sector Accounting Standards). The budget was prepared on a modified accrual basis while Public Sector Accounting Standards require a full accrual basis. The budget figures anticipated using surpluses accumulated in previous years to reduce current year expenditures in excess of current year revenues to \$NIL. In addition, the budget expensed all tangible capital expenditures rather than including amortization expense. As a result, the budget figures presented in the Statement of Operations and Statement of Changes in Net Financial Assets represent the budget adopted by Council with adjustments as follows:

	2025	2024
	<u>\$</u>	<u>\$</u>
Financial Plan (budget) surplus for the year - County	-	-
Add:		
Capital Expenditures	78,988,841	28,118,906
Principal Payments	4,147,359	3,619,777
Less:		
Amortization	18,667,630	16,765,989
Long-Term Financing	32,095,346	3,113,150
Net Reserve and Reserve Fund Transfers	<u>12,070,402</u>	<u>2,209,460</u>
Budget Surplus for the County of Lambton	<u>20,302,822</u>	<u>9,650,084</u>
Add:		
Community Development Corporation budget deficit for the year	<u>(614,457)</u>	<u>(1,444,858)</u>
Budget Surplus per Consolidated Statement of Operations	<u>19,688,365</u>	<u>8,205,226</u>

22. EMERGENCY MEDICAL SERVICES

Community Paramedicine for Long-Term Care Program

The Ministry of Long-Term Care provides funding to Lambton Emergency Medical Services (EMS) to carry out the Community Paramedicine for Long-Term Care (CPLTC) Program. Funding and costs related to the CPLTC Program for the period April 2025 – March 2026 are as follows:

Funding	874,900
Expenses	875,423
Surplus/(Deficit)	(523)

Community Health Integrated Care Program

Ontario Health has provided funding for the period April 2025 – March 2026 to pilot a Health-Led Mobile Crisis Response Team. Details of revenue and expenses for the program are as follows:

Funding	844,000
Expenses	846,231
Surplus/(Deficit)	(2,231)

**THE CORPORATION OF THE COUNTY OF LAMBTON
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
AS AT DECEMBER 31, 2025**

23. TOURISM SARNIA-LAMBTON

Tourism Sarnia-Lambton (TSL) is an independent body charged with the responsibility for providing growth and development of the tourism industry in the County of Lambton. It is jointly funded by the Municipality, the private sector and senior levels of government. The Municipality provided \$812,601 (2024 - \$812,601) in operating funds during 2025. TSL has not been consolidated.

24. FINANCIAL INSTRUMENT RISK MANAGEMENT

The County is exposed to credit risk, and liquidity risk from its financial instruments. This note describes the County's objectives, policies and processes for managing those risks and the methods used to measure them. Further qualitative and quantitative information in respect of these risks is presented below and throughout these financial statements.

(a) Credit Risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The County is exposed to credit risk through its cash and accounts receivable.

The County holds its cash accounts with a federally regulated chartered bank.

Accounts receivable credit risk is resulting from the possibility that a customer or counterparty to a financial instrument defaults on their financial obligations; if there is a concentration of transactions carried out with same counterparty; or of financial obligations which have similar economic characteristics such that they could be similarly affected by changes in economic conditions.

The County manages its credit risk by limiting the amount of days aged in accounts receivable before appropriate action is taken.

The County's maximum exposure to credit risk at the financial statement date is the carrying value of accounts receivable as presented on the statement of financial position.

At year end, the amounts outstanding for the County's accounts receivable are as follows:

As at December 31

	2025			2024		
	Accounts Receivable	Impairment Allowance	Total	Accounts Receivable	Impairment Allowance	Total
Current	\$5,547,850		\$5,547,850	\$6,262,495		\$6,262,495
31 to 60 days	1,113,885		1,113,885	806,929		806,929
61 to 90 days	745,591		745,591	97,105		97,105
Over 90 days	3,795,313	(202,432)	3,592,881	249,700	(200,926)	48,774
	<u>\$11,202,639</u>	<u>\$(200,432)</u>	<u>\$11,000,207</u>	<u>\$7,416,229</u>	<u>\$(200,926)</u>	<u>\$7,215,303</u>

At year end, management has determined that the credit quality of accounts receivable are not past due or impaired.

There have not been any changes from the prior year in the County's exposure to credit risk or the policies, procedures and methods it uses to manage and measure the risk.

**THE CORPORATION OF THE COUNTY OF LAMBTON
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
AS AT DECEMBER 31, 2025**

(b) Liquidity Risk

Liquidity risk is the risk that the County will encounter difficulty in meeting obligations associated with financial liabilities. The County is exposed to this risk mainly in respect of its accounts payable and accrued liabilities, and long-term debt.

The County's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient cash flow to fund its operations and to meet its liabilities when due, under both normal and stressed conditions. The County also maintains certain credit facilities, which can be drawn upon as needed.

The following table sets out the contractual maturities (representing undiscounted contractual cash-flow of financial liabilities):

	2025			
	within 6 months	6 months to 1 year	1 - 5 years	>5 years
Accounts Payable and Accrued Liabilities	\$ 26,999,485	\$ 18,708	\$ 6,191,612	\$ -
Long-term Debt	\$ 1,871,621	\$ 1,773,183	\$ 11,080,072	\$ 15,694,798
Total	\$ 28,871,106	\$ 1,791,891	\$ 17,271,684	\$ 15,694,798

	2024			
	within 6 months	6 months to 1 year	1 - 5 years	>5 years
Accounts Payable and Accrued Liabilities	\$ 21,254,428	\$ 752,945	\$ 4,765,375	\$ 122,650
Long-term Debt	\$ 1,700,055	\$ 1,612,621	\$ 8,817,493	\$ 16,958,119
Total	\$ 22,964,483	\$ 2,365,566	\$ 13,582,868	\$ 17,080,769

There have not been any changes from the prior year in the County's exposure to liquidity risk or the policies, procedures and methods it uses to manage and measure the risk.

(c) Interest Rate Risk

Interest rate risk is the risk that the fair value of financial instruments will fluctuate due to changes in market interest rates. The County's exposure to interest rate risk is limited to its fixed-rate long-term debt. Since the debt bears interest at fixed rates, changes in market interest rates do not affect the County's future cash flows related to interest payments until the debt is renewed.

There have not been any changes from the prior year in the County's exposure to interest rate risk or the policies, procedures and methods it uses to manage and measure the risk.

24. COMPARATIVE FIGURES

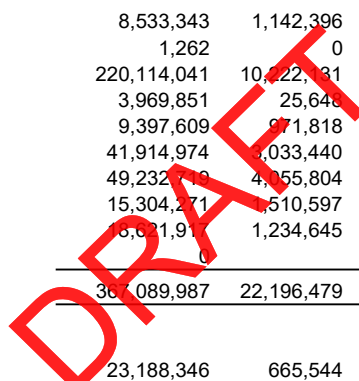

Certain comparative figures have been reclassified to conform with the financial statement presentation adopted in the current year. These reclassifications have no effect on the annual surplus, accumulated surplus, or net financial assets previously reported.

Independent Auditor's Report

**To the Members of Council, Inhabitants and Ratepayers
of The Corporation of the County of Lambton**

Opinion

We have audited the accompanying trust financial statements of The Corporation of the County of Lambton (the Municipality), which comprise the statement of financial position as at December 31, 2025, and the statement of financial activities and cash flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly in all material respects, the financial position of the Municipality as at December 31, 2025, and its results of financial activities and cash flows for the year then ended in accordance with the basis of accounting described in Note 1.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Municipality in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements is prepared to assist the Municipality to comply with the reporting requirements of the Long Term Care Homes Act, 2007 Ontario Regulation 79/10. As a result, the financial statements may not be suitable for another purpose.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the basis of accounting as described in Note 1, and for such internal control as management determines is necessary to enable the preparation of financial statements that is free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Municipality's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Municipality or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Municipality's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Municipality's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Municipality's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Municipality to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2025**

1. SIGNIFICANT ACCOUNTING POLICIES

These financial statements are the representation of management and have been prepared in accordance with generally accepted accounting policies for municipal governments, as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada.

a) Basis of Accounting (accrual)

- (i) Sources of financing and expenditures are reported on the accrual basis of accounting.
- (ii) The accrual basis of accounting recognizes revenues as they become available and measurable; expenditures are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

b) Revenue Recognition

Residents' deposits are recognized as revenue when the amount is determinable and collectability is assured.

All restricted contributions are recognized as revenue of the appropriate restricted fund.

Dear Sirs and Mesdames

The objective of an audit is to obtain reasonable assurance whether the financial statements are free of any material misstatement and it is not designed to identify matters that may be of interest to management in discharging its responsibilities. Accordingly an audit would not usually identify all such matters.

During the course of our audit of the financial statements of The Corporation of the County of Lambton for the year ended December 31, 2025, we did not encounter any significant matters which we believe should be brought to your attention.

This communication is prepared solely for the information of management and is not intended for any other purposes. We accept no responsibility to a third party who uses this communication.

We would like to express our appreciation for the cooperation and assistance which we received during the course of our audit from Lori Titus and Finance team.

We shall be pleased to discuss with you further any matters mentioned in this report at your convenience.

Yours truly,

Ferruccio Da Sacco, FCPA, FCA, LPA
