I am a skilled individual with a background in business management. I have managed apartment communities of all types (low income, bonded and market rate) for over 22 years. I am also a Mom of five and a grandma of three, and I believe that gives a leverage on having ideas geared to kids, parents, grandparents and overall to communities.

Please list any other information you feel is relevant to your appointment.

I am a resident of Oldsmar and lived here for 11 years. I also own a business which is also located in Oldsmar. I love my small town and my husband and I have growing roots here.
