Community Services is able to do taxes year-round and will continue to support individuals with completing their 2025 income taxes. The Committee accepted as information.

4.2 Imagine Institute Training Update

Amber Houle provided an update on the upcoming workshops scheduled with the Imagine Institute. Due to low registration numbers for the Youth Unconscious Bias and the Life Capacity Game Facilitator Training, those workshops have been cancelled. The Committee expressed that in-person formats for training are preferred moving forward. The Committee accepted as information.

Marlene Kunstleben suggested that on the Community Services booth, that program photos be used to attract people to future programs and events.

Caroline Velie commended the Community Services team for what is offered and suggested that more word of mouth be used to attract participants.

Marie Dyck informed the Committee of the upcoming Grand Opening of the Arbor Park in Peace River on May 21, 2026, from 10:00 a.m. - 12:00 p.m.
