Resolution Reaffirming the Prohibition of Alcohol Consumption in Town Parks and Municipal Properties

MOTION-2

Moved by Councillor Kristen Rodrigues
Seconded by Councillor Bob Woolvett

WHEREAS the Town of Plympton-Wyoming regulates the use, protection and enjoyment of public parks and recreation areas through By-law 95 of 2023; and

Regular Council Meeting
June 24, 2026

WHEREAS recent amendments to Ontario Regulation 747/21 under the Liquor License and Control Act, 2019 have expanded opportunities for municipalities to permit the consumption of alcohol in public places and through bring-your-own alcohol event permits; and

WHEREAS Council recognizes its responsibility to provide safe, welcoming and family-oriented public spaces for residents and visitors; and

WHEREAS Lambton County continues to experience a significant number of impaired driving incidents, with Lambton OPP reporting a resurgence in impaired driving offences; emphasizing the importance of maintaining safe, family-oriented parks, recreational and public spaces.

WHEREAS the Town has limited ability to monitor, regulate, or enforce the quantity and consumption of alcohol brought onto municipal property by individuals in a bring-your-own alcohol or open-consumption environment; and

WHEREAS Council does not wish to increase potential risks, liabilities, enforcement challenges, policing demands, property damage, public safety concerns, or insurance-related exposures that may ultimately be borne by municipal taxpayers; and

WHEREAS Council believes that maintaining the current prohibition provides clarity for residents, staff, enforcement agencies and event organizers while preserving the intended recreational and family-friendly nature of municipal parks and public spaces;

THEREFORE, BE IT RESOLVED THAT Council reaffirm its support for the provisions of Town of Plympton-Wyoming By-law 95 of 2023 that prohibit the possession and consumption of alcohol within Town parks, recreation areas and municipally owned properties except where specifically authorized by Council and permitted by law;

AND FURTHER THAT Council does not support the establishment of bring-your-own alcohol events on municipally owned properties, nor the designation of municipal parks or public spaces for general alcohol consumption.

Report To: Mayor & Members of Council
Approved by: Adam Sobanski, Chief Administrative Officer
From: Lisa Smeekens, Executive Assistant - Deputy Clerk
Department: Corporate Services
Date: June 26, 2026
Re: Short Term Rental Application: 3538 Queen Street

RECOMMENDATION:

That the report by Lisa Smeekens, Deputy Clerk, dated June 26th, 2026, regarding Short Term Rental Application: 3538 Queen Street be received and that Council authorize staff to issue a Licence.

BACKGROUND INFORMATION:

On April 29th, 2025, Council passed [By-law 20 of 2025](#) to implement a Short-Term Rental (STR) Licensing program. This by-law permitted STRs in Primary Residences or where the STR predated the By-law (Pre-existing STRs).

As it has been over one (1) year since the passing of By-law 20 of 2025, any new licence application in relation to a Pre-existing STR must be brought to Council and Council shall either issue or refuse to issue a Licence.

DISCUSSION:

On June 25th, 2026, Courtney Levert submitted a STR application for 3538 Queen Street. The applicant provided all required documentation including proof that the property was utilized continuously as a STR both before and after the passing of By-law 20 of 2025.

Based on the information provided, it is appropriate for Council to authorize the issuance of a Licence.

Report To: Mayor & Members of Council
Approved by: Norma Roddick-Preece, Treasurer/Deputy CAO
From: Paul daSilva, Director of Public Works
Department: Public Works
Date: June 30, 2026
Re: Stair Replacement at Hyde Street Right-of-Way

RECOMMENDATION:

That the report prepared by Paul da Silva, Director of Public Works, dated June 30, 2026, regarding Hyde Street beach access stair replacement be received; and that Council approves the quote submitted by Southwest Fence and Decks in the amount of \$23,580 plus HST and; that the project be funded from the unused Highland Glen Boat Launch dredging budget

BACKGROUND INFORMATION:

The Town owns and maintains several public access points to the shores of Lake Huron. Due to the height of the shoreline bluff, public access is provided by stairways that descend approximately 20 to 25 metres to the beach. Many of these stairways were originally constructed using wood materials and have deteriorated over time due to age and exposure to the elements. Through annual inspections, routine maintenance, and the replacement of worn components, staff have been able to extend the service life of these structures.

As part of the approved 2026 Capital Budget, the Dalrymple Street beach access stairs were replaced. The project was completed by Southwest Fence and Decks, who was selected through a competitive procurement process in accordance with the Town's Procurement By-law. Staff were satisfied with the quality of the workmanship and the overall delivery of the project.

Since completion of the Dalrymple Street project, the condition of the Hyde Street beach access stairs has continued to deteriorate. Following recent inspections, staff determined that the stairs are no longer safe for public use and have temporarily closed the access pending replacement.

DISCUSSION:

Staff have reviewed the condition of the Hyde Street stairs and determined that replacement is the most practical option. Due to the similarity of the project to the recently completed Dalrymple Street replacement, staff requested a quotation from Southwest Fence and Decks. Southwest Fence and Decks has submitted a quotation in the amount of \$23,580 plus HST.

Based on the contractor's recent performance on the Dalrymple Street project, staff are confident in their ability to complete the work to the Town's expectations. As funding for the Hyde Street replacement was not included in the approved 2026 Capital Budget, Council approval is required to proceed with the project.

FINANCIAL IMPACT:

The approved 2026 Capital Budget includes \$30,000 for dredging at the Highland Glen Boat Launch, if required. Water levels have remained stable and are projected to increase slightly throughout the season. As a result, staff do not anticipate dredging will be required in 2026.

Staff recommend reallocating the unused Highland Glen Boat Launch dredging budget to fund the Hyde Street stair replacement. The quoted cost of \$23,580 plus HST can be accommodated within the approved \$30,000 budget allocation.

Re: Request for Apportionment of Drainage Assessment Due to Severance of Lands

RECOMMENDATION:

That the report by Jessica Wilson, Drainage Clerk, dated July 2, 2026, regarding the requests for apportionment be accepted, and that the attached agreement for Apportionment of Drainage Assessment due to Severance of Land for the Braaksma Drain be approved by Council.

BACKGROUND INFORMATION:

The following is affected by severance:

Braaksma Drain

(July 2025, Sc. 65 from 2019 Report - Spriet Associates)

Assessment for original 84.52 acres (22.79%) is to be allocated to the following parcels:

80.52 acres (21.71%) to property roll 340.020.62400

4 acres (1.08%) to property roll (to be assigned)

To ensure that future repairs of municipal drains affecting the above properties are properly assessed, the schedules of assessments must be updated to reflect any changes. Under the *Drainage Act*, this process is known as "subsequent subdivision of land" and is governed by Section 65 of the Act.

Subsequent subdivision of lands may be handled in two ways:

- 1 - The clerk may instruct an engineer in writing to apportion the assessment charged against the parcel among the parts into which it is divided; costs associated with this method are then borne by the affected parties.
- 2 - The owners of the subdivided land may enter into a written agreement and file it with the clerk; the council then approves this agreement by resolution.

DISCUSSION:

In the above instance, the landowners of the affected properties have signed and will be proceeding with option number two. Copies of the signed apportionment forms have been attached to this report.

Once Council adopts the resolution, revisions to the Schedule of Assessment/Maintenance will be made to the corresponding Engineer Reports.

FINANCIAL IMPACT:

None at this time. All future drainage works will be apportioned to the drains in the manner outlined in the Drainage Reports, as per requirements of the *Drainage Act*.

Report To: Mayor & Members of Council
Approved by: Adam Sobanski, Chief Administrative Officer
CC: Paul daSilva, Director of Public Works
From: Ryan Tamming, Drainage Coordinator
Department: Public Works
Date: June 30, 2026
Re: Petition for a new Municipal Drain (Section 4) - Plympton Meadows Drain

RECOMMENDATION:

That the report by Ryan Tamming, Drainage Coordinator, dated June 30, 2026, regarding a petition for incorporating new storm sewers on Isabella Street be received; and that Council appoint M. Gerrits Consulting Inc. under Section 4 of the *Drainage Act* to produce a report based on the petition received June 30th, 2026.

BACKGROUND INFORMATION:

The Town of Plympton-Wyoming has received a petition for a new Municipal Drain, as follows:

<u>Drain Name</u>	<u>Request</u>	<u>Applicant</u>
New Drain (Plympton Meadows)	Section 4 Road Authority Petition	P. daSilva Director of Public Works

The Town of Plympton-Wyoming is commencing with a reconstruction of Isabella Street, including new watermain, storm sewers, and road surfacing. This work is planned to take place in conjunction with the new development on the North side of Isabella Street.

On February 25, 2026, Council received the proposal from BM Ross ([SR-26-019](#)) and approved them to commence with the design of the road reconstruction.

This petition is to incorporate the storm sewer portion of the works under the *Drainage Act*, consistent with other drainage work within Wyoming.

The Conservation Authority has waived its right to an Environmental Assessment on this project.

DISCUSSION:

Under Section 4 of the *Drainage Act*, a road authority can file a petition to construct, improve, or modify a municipal drain to ensure the safe and proper drainage of public roads. The process allows municipal bodies to bypass regular landowner petition thresholds to secure necessary drainage outlets.

While standard landowner petitions require a specific majority of owners and 60% of the land area (or area requiring drainage), a petition filed by a road authority counts as a legally sufficient petition on its own.

FINANCIAL IMPACT:

The cost of the drainage work will be apportioned to the drain in the manner outlined in the Drainage Report, as per the requirements of the *Drainage Act*.

MISSISSAUGA

RESOLUTION 0147-2026
adopted by the Council of
The Corporation of the City of Mississauga
at its meeting on June 24, 2026

0147-2026 Moved by: Councillor N. Hart

Seconded by: Councillor C. Fonseca

WHEREAS women and children experiencing intimate partner violence rely on emergency shelters as a critical component of their safety, recovery, and transition to stable housing;

WHEREAS adequate lengths of stay in emergency shelters are often necessary to support safety planning, access to social services, legal supports, mental health resources, and housing stabilization;

WHEREAS funding formulas and service benchmarks directly influence shelter capacity, operations, and the ability of service providers to meet community needs;

Whereas The City of Mississauga declared Intimate Partner Violence an epidemic on September 13th 2023;

WHEREAS municipalities across Ontario utilize varying approaches to shelter funding and length-of-stay expectations, providing opportunities for benchmarking and best-practice review;

WHEREAS any reductions to funding based on the formulas may have unintended consequences on service levels and the availability of supports for individuals fleeing intimate partner violence;

THEREFORE BE IT FURTHER RESOLVED THAT the Mayor, on behalf of Council, write to the Premier of Ontario, the Minister of Children, Community and Social Services, the Minister of Municipal Affairs and Housing, and the local Members of Provincial Parliament requesting a provincial review of benchmarking, funding formulas, and length-of-stay standards for emergency shelters serving women and children experiencing intimate partner violence, with a view to ensuring adequate shelter stays and preventing reductions in funding that could negatively impact service delivery and client outcomes;

AND BE IT FURTHER RESOLVED THAT a copy of this resolution be forwarded to the Premier of Ontario, the Minister of Children, Community and Social Services, the Minister of Municipal Affairs and Housing, local MPPs, the Association of Municipalities of Ontario (AMO), and all Ontario municipalities for their information and consideration.

MEETING HIGHLIGHTS of June 2026

1. The Board received reporting updates for the March & April 2026 reporting period along with a year-to-date report on 2026 activities.

Key points:

- (i) Collisions – up YTD 10% over 2025, current fatalities as of May 3, 2026
- (ii) Violent Crime – minor assaults increase, decrease in sexual offence, theft with violence, homicide and attempted homicide, and threats are down
- (iii) Property crime – seen a decrease of 16% to YTD over 2025
- (iv) Major Crime Unit – investigations active on 38 benchmark occurrences
- (v) Grand Bend – high season is active, deployment model continues as years past, with great success. Staffing of officers will continue accordingly, based on analytics.

[Additional/statistical information available in OPP Monthly Report (forwarded electronically to municipal partners and posted to LGODB website)]

2. General happenings:
 - a. Discussion surrounding the continued concerns being identified with bail reform | bill C-75, and the continued practice of impaired charges being pled down to a careless charge, not only for 1st offenders also with 2nd and 3rd and further offenders receiving a plea. The Board requested that an in person meeting be requested with the Attorney General.
 - b. Member Discussion
 - i. Social Media question - if a person posts on a social media page that they have committed a crime, how would that work?
 - It may lead to the OPP starting an investigation, activity such as this should be reported to the OPP.
 - ii. Commercial vehicle enforcement blitz, is this still on going? It is being noticed in Plympton-Wyoming that scales are skipped
 - Yes, the program continues with regular collaboration with MTO
 - iii. Golf carts, are their permission to drive on roads with under 50 posted?
 - OPP not supportive as this is, as golf carts are not a licensed vehicle on a roadway

TO: Conservation Authorities Chairs, GMs/CAOs, and municipalities

SUBJECT: Minister's direction under section 1.14 of the *Conservation Authorities Act* with respect to budget and apportionment matters

I am writing with regards to the transition of Ontario's conservation authority system to a consolidated regional model. Pursuant to my authority under section 1.14 of the *Conservation Authorities Act* (CAA), I am issuing a direction ("Direction") to conservation authorities on budget and apportionment matters leading up to the transition date – please see attached Direction.

The purpose of this Direction, effective from June 26, 2026 to the transition date under the CAA (i.e., February 1, 2027, or such later date as may be prescribed by the regulations), is to require conservation authorities to complete the budgetary process for the 2027 calendar year budget before the transition date, and in accordance with the CAA and applicable budget and apportionment regulations.

This Direction establishes deadlines for key budget process milestones, including the holding of meetings to approve apportionment amounts and final budgets, and the sending of notices of apportionment to participating municipalities. Conservation authorities are also required to notify the Ministry of the Environment, Conservation and Parks and the Ontario Provincial Conservation Agency (OPCA) as certain steps of the budget process are completed. This Direction applies to all conservation authorities listed in Appendix A, with additional guidance set out in Appendix B of the attachment.

The Direction is intended to ensure that the transition to consolidation is successful with minimal disruptions to conservation authorities' governance, programs and services.

If you have any questions regarding this Direction, please contact the Conservation Authorities Section of the Ministry of the Environment, Conservation and Parks at ca.office@ontario.ca.

ATTACHMENT A

Minister's Direction Issued Pursuant to Section 1.14 of the *Conservation Authorities Act* (this "Direction")

Section 1.14 of the *Conservation Authorities Act* (CAA) provides the Minister with the authority to issue a direction to a conservation authority in relation to various matters for the purpose of facilitating the transition to a regional watershed-based framework for conservation authorities. The types of directions that can be issued by the Minister are set out in clauses 1.14(1)(a) to (d):

- (a) prohibiting the authority from making a decision in relation to its exercise of any of its powers under this Act or any other Act in the circumstances specified in the direction and subject to any specified conditions;
- (b) requiring the authority to give notice, in accordance with the direction, of a decision that it has made;
- (c) requiring the authority to send notices under subsection 25 (2), 27 (3) or 27.2 (3) by the date specified in the direction;
- (d) governing budgetary and apportionment matters relating to the authority that are otherwise addressed in a regulation made under clause 40 (1) (c), (e) or (f) or clause 40 (3) (k).

Section 1.14 further provides that an authority that receives such a direction shall comply with the direction within the time specified in the direction.

Pursuant to the authority of the Minister of the Environment, Conservation and Parks under clauses 1.14(1)(c) and (d), the conservation authorities set out under Appendix "A" of this Direction (the "**authorities**" or each, an "**authority**") are hereby directed as follows:

1. Each authority shall take all necessary steps to develop and approve its budget for the 2027 calendar year, in accordance with the CAA, to ensure that the authority complies with paragraphs 2 and 3 of this Direction.
2. No later than thirty (30) calendar days prior to the transition date, each authority shall:
 - i. Hold a meeting to approve apportionment amounts for its participating and specified municipalities as required by section 16 of O. Reg. 402/22.
 - ii. Hold a meeting to approve a final budget as required by section 22 of O. Reg. 402/22.
3. Prior to the transition date, each authority shall:
 - i. Provide a copy of its final budget to the Minister and each of its participating and specified municipalities in accordance with section 24 of O. Reg. 402/22, and in addition, provide a copy of the approved final budget to the Ontario Provincial Conservation Agency (OPCA).
 - ii. Send notices to the authority's participating and specified municipalities in accordance with subsections 25(2) (notices of apportionment of capital

costs), 27(3) (notices of apportionment of operating expenses) and 27.2(3) (notices of amounts owed by specified municipalities) of the CAA.

4. Upon completion of each of the following steps, each authority shall provide written notice of the completion of the step to the Ministry of the Environment, Conservation, and Parks and the OPCA:
 - i. Approval of a draft budget for consultation purposes in accordance with section 14 of O. Reg. 402/22.
 - ii. Approval of apportionment amounts for participating and specified municipalities in accordance with section 18 of O. Reg. 402/22.
 - iii. Approval of a final budget in accordance with section 23 of O. Reg. 402/22.
 - iv. Sending of notices to participating and specified municipalities in accordance with subsections 25 (2), 27(3) and 27.2(3) of the CAA.

General

5. This Direction applies to the authorities listed in Appendix "A" to this Direction.
6. This Direction is effective from the date of its issuance to the transition date, within the meaning of the CAA (i.e., February 1, 2027 or such later date as may be prescribed by the regulations).
7. This Direction may be amended in writing from time to time at the sole discretion of the Minister.

Todd McCarthy
Minister of the Environment, Conservation and Parks

APPENDIX B

Guidance document for the Minister’s Direction issued under section 1.14 of the CAA with respect to budget and apportionment matters

The Minister’s Direction issued June 26, 2026 under s.1.14 of the CAA aims to preserve operational and budget process continuity through the transition to a regional governance model for conservation authorities.

While Ontario Regulation 402/22 (Budget and Apportionment) does not set out specific dates or deadlines for the completion of the various phases of the budget and apportionment process, this Direction sets the following timing requirements and additional notification requirements:

Item/Task	Deadline
i. Holding of meeting to approve apportionment amounts for participating and specified municipalities (s. 16 of O. Reg. 402/22)	No later than 30 calendar days before the transition date
ii. Holding of meeting to approve final budget (s. 22 of O. Reg. 402/22)	
i. Providing copies of the approved final budget (s. 24 of O. Reg. 402/22)	Prior to the transition date
ii. Sending of notices to participating and specified municipalities (s. 25(2), 27(3), and 27.2(3) of the CAA)	
i. Providing a notice to the Ministry of the Environment Conservation and Parks (MECP) and Ontario Provincial Conservation Agency (OPCA) when each of the following steps is completed: a. Approval of a draft budget for consultation purposes b. Approval of apportionment amounts c. Approval of the final budget d. Sending of notices to participating and specified municipalities	Upon completion of each step

With respect to any documents and notice required to be given to the MECP and OPCA (e.g., approved final budget and notice of completion of various steps), please send those documents and notices to MECP at ca.office@ontario.ca and OPCA at CCEO@ontario.ca.

2027 Annual Budget

Conservation authorities will carry out the 2027 calendar year budget process in accordance with Ministers Directions, the CAA and its regulations. The determination of revenue, expenses and costs under Section 5 of O. Reg. 402/22 and determination of reduced amounts to be apportioned under Section 6 of O. Reg. 402/22 should reflect continuity of normal operations of an authority according to current organization’s

governance, financial structures, and programs and services. Any anticipated impacts from regional consolidation should not be considered or incorporated into the preparation of the budget for the 2027 calendar year under this direction.

Municipal Consultation

Current participating and specified municipalities are to be consulted on the draft budget for the 2027 calendar year, in accordance with existing legislative/regulatory requirements.

Voting

Budget-related votes are conducted using current authority membership and existing governance rules and in accordance with regulations, where that is set out.

Final Approval and Posting

Authorities approve, post, and provide copies of the final budget for the 2027 calendar year in accordance with existing requirements and the Minister's Direction.

Municipal Apportionment

The approach to municipal apportionment will not change for 2027 calendar year budgets and will follow the existing methods set out in O. Reg. 402/22 and O. Reg. 401/22 (Determination of Amounts Under Subsection 27.2 (2) of the Act) and apply to the current participating and specified municipalities of each authority per the apportionment percentages distributed by the Ministry of the Environment Conservation and Parks.

Once apportioned amounts are determined and approved by authorities, notices of apportionment are sent to each participating municipality and notices setting out amounts owing are sent to each specified municipality. Each municipality shall be required to pay the amount apportioned to it even after the transition date under the CAA, at which point the payment will be due to the regional conservation authority.

Future Annual Budget

Budget alignment across regional conservation authorities will occur following the transition date.

The ministry will assess whether any changes need to be made to the budgeting process as set out in the budget and apportionment regulations as a result of the regional consolidation of authorities and will consider amendments to those regulations in Fall 2026, where appropriate.

Dear Deputy Premier Jones,

RE: Motion for Provincial Support, Funding and Coordinated Plans to Combat Tick Borne Diseases

I am writing to advise that at the Town Council meeting held on June 23, 2026, Council adopted a motion regarding requesting support to combat tick borne diseases.

The resolution reads as follows:

Whereas the prevalence of ticks, including those known to carry Lyme disease, and other Vector borne diseases have increased across Ontario;

Whereas Lyme disease diagnoses have increased by 27% in 2024 to 2369 (Public Health Agency of Canada, PHAC);

Whereas residents across Caledon have registered growing concerns about public health risks associated with tick exposure in parks, trails and residential areas;

Whereas municipalities have limited jurisdiction and resources to effectively manage tick populations on a broad ecological scale;

Whereas the Government of Ontario is responsible for public health policy, environmental management and vector-borne disease prevention and detection;

Therefore, be it resolved that:

Caledon Town Council formally requests that the Government of Ontario investigate and implement measures to reduce burgeoning tick populations and to mitigate their associated public health risks; and

That such measures may include safe and effective tick control methods, public education campaigns and coordinated regional strategies; and

That the Province consider increased funding and support for local public health units to address tick-borne disease prevention; and

That a copy of this motion be sent to Minister of Health, Sylvia Jones, Chief Medical Officer of Health, Kiernan Moore, Minister of the Environment, Conservation and Parks, Todd McCarthy, Peel Public Health, the Toronto and Region Conservation Authority (TRCA), the Credit Valley Conservation (CVC), the Association of Municipalities of Ontario (AMO) and all 444 municipalities across Ontario.

For more information regarding this request, please contact the undersigned by email to mayor@caledon.ca or by phone at 905.584.2272 ext. 4155.

Thank you for your attention to this matter.

Sincerely,

Mayor Annette Groves
