**TO:** Conservation Authorities Chairs, GMs/CAOs, and municipalities

**SUBJECT:** Minister's direction under section 1.14 of the *Conservation Authorities Act* with respect to budget and apportionment matters

---

I am writing with regards to the transition of Ontario's conservation authority system to a consolidated regional model. Pursuant to my authority under section 1.14 of the *Conservation Authorities Act* (CAA), I am issuing a direction ("Direction") to conservation authorities on budget and apportionment matters leading up to the transition date – please see attached Direction.

The purpose of this Direction, effective from June 26, 2026 to the transition date under the CAA (i.e., February 1, 2027, or such later date as may be prescribed by the regulations), is to require conservation authorities to complete the budgetary process for the 2027 calendar year budget before the transition date, and in accordance with the CAA and applicable budget and apportionment regulations.

This Direction establishes deadlines for key budget process milestones, including the holding of meetings to approve apportionment amounts and final budgets, and the sending of notices of apportionment to participating municipalities. Conservation authorities are also required to notify the Ministry of the Environment, Conservation and Parks and the Ontario Provincial Conservation Agency (OPCA) as certain steps of the budget process are completed. This Direction applies to all conservation authorities listed in Appendix A, with additional guidance set out in Appendix B of the attachment.

The Direction is intended to ensure that the transition to consolidation is successful with minimal disruptions to conservation authorities' governance, programs and services.

If you have any questions regarding this Direction, please contact the Conservation Authorities Section of the Ministry of the Environment, Conservation and Parks at [ca.office@ontario.ca](mailto:ca.office@ontario.ca).

### Guidance document for the Minister’s Direction issued under section 1.14 of the CAA with respect to budget and apportionment matters

The Minister’s Direction issued June 26, 2026 under s.1.14 of the CAA aims to preserve operational and budget process continuity through the transition to a regional governance model for conservation authorities.

While Ontario Regulation 402/22 (Budget and Apportionment) does not set out specific dates or deadlines for the completion of the various phases of the budget and apportionment process, this Direction sets the following timing requirements and additional notification requirements:

Item/Task	Deadline
i. Holding of meeting to approve apportionment amounts for participating and specified municipalities (s. 16 of O. Reg. 402/22)	No later than 30 calendar days before the transition date
ii. Holding of meeting to approve final budget (s. 22 of O. Reg. 402/22)	
i. Providing copies of the approved final budget (s. 24 of O. Reg. 402/22)	Prior to the transition date
ii. Sending of notices to participating and specified municipalities (s. 25(2), 27(3), and 27.2(3) of the CAA)	
i. Providing a notice to the Ministry of the Environment Conservation and Parks (MECP) and Ontario Provincial Conservation Agency (OPCA) when each of the following steps is completed: a. Approval of a draft budget for consultation purposes b. Approval of apportionment amounts c. Approval of the final budget d. Sending of notices to participating and specified municipalities	Upon completion of each step

With respect to any documents and notice required to be given to the MECP and OPCA (e.g., approved final budget and notice of completion of various steps), please send those documents and notices to MECP at [ca.office@ontario.ca](mailto:ca.office@ontario.ca) and OPCA at [CCEO@ontario.ca](mailto:CCEO@ontario.ca).

#### 2027 Annual Budget

Conservation authorities will carry out the 2027 calendar year budget process in accordance with Ministers Directions, the CAA and its regulations. The determination of revenue, expenses and costs under Section 5 of O. Reg. 402/22 and determination of reduced amounts to be apportioned under Section 6 of O. Reg. 402/22 should reflect continuity of normal operations of an authority according to current organization’s

governance, financial structures, and programs and services. Any anticipated impacts from regional consolidation should not be considered or incorporated into the preparation of the budget for the 2027 calendar year under this direction.

### **Municipal Consultation**

Current participating and specified municipalities are to be consulted on the draft budget for the 2027 calendar year, in accordance with existing legislative/regulatory requirements.

### **Voting**

Budget-related votes are conducted using current authority membership and existing governance rules and in accordance with regulations, where that is set out.

### **Final Approval and Posting**

Authorities approve, post, and provide copies of the final budget for the 2027 calendar year in accordance with existing requirements and the Minister's Direction.

### **Municipal Apportionment**

The approach to municipal apportionment will not change for 2027 calendar year budgets and will follow the existing methods set out in O. Reg. 402/22 and O. Reg. 401/22 (Determination of Amounts Under Subsection 27.2 (2) of the Act) and apply to the current participating and specified municipalities of each authority per the apportionment percentages distributed by the Ministry of the Environment Conservation and Parks.

Once apportioned amounts are determined and approved by authorities, notices of apportionment are sent to each participating municipality and notices setting out amounts owing are sent to each specified municipality. Each municipality shall be required to pay the amount apportioned to it even after the transition date under the CAA, at which point the payment will be due to the regional conservation authority.

### **Future Annual Budget**

Budget alignment across regional conservation authorities will occur following the transition date.

The ministry will assess whether any changes need to be made to the budgeting process as set out in the budget and apportionment regulations as a result of the regional consolidation of authorities and will consider amendments to those regulations in Fall 2026, where appropriate.

Request for Support – Ontario Firefighter Certification Requirements

Dear Municipal Clerks,

The Town of Iroquois Falls is seeking support from neighboring municipalities regarding the implementation of Ontario Regulation 343/22 (Firefighter Certification), which requires firefighters performing certain suppression and extrication activities to obtain prescribed certifications by July 1, 2026.

While we support the importance of firefighter training and safety, The Town of Iroquois Falls has concerns about the impact these requirements may have on volunteer and composite fire departments, particularly in rural and northern communities.

Council recently passed a resolution requesting that the Office of the Fire Marshal revisit the mandatory certification program and consider greater flexibility while maintaining high standards of public and firefighter safety.

We respectfully ask that you share the attached resolution with your Fire Chief for review and consideration. If your municipality shares similar concerns, we welcome your support and advocacy on this matter.

Thank you for your time and consideration.

Sincerely,

Maureen Reeder, Clerk  
The Town of Iroquois Falls
