In an effort to ensure that school committee meetings are both effective and efficient, while also balancing the need to allow for public participation, the School Committee will allow for Public Comments/Open Forum at each meeting. In general:

- As necessary, time for comments may be limited
- This is not intended as a back and forth exchange with the School Committee
- There should be no assumption that questions can be addressed in the meeting; questions may be referred to members of the Administration for follow up
- As always, members of the public can write to the School Committee at [SC@sharonschools.net](mailto:SC@sharonschools.net) to provide general comments or feedback on any topic

The above topics represent what the Chair of the Sharon School Committee reasonably anticipates will be discussed at this meeting at the time this meeting was posted.
